Do you remember the game we played as children? Red Light! Green Light! Yellow Light! In that game, Green Light meant GO! Run to the base. That is what we are doing now, but Green Light doesn’t mean GO in Governor Wolf’s phases of reopening. Green is one more step toward the life we knew as “normal” 15 weeks ago, but we are not there yet.

Yet we can’t stay quarantined forever, can we? We need to get back to work, back to seeing family and friends, back to doing normal everyday activities like shopping, worshipping, exercising, traveling. With those activities come risk. How much risk you want to take is totally up to you. We have many Seniors in the Phoenixville Area who participate in our activities, but none to spare. That is why the Senior Center will remain closed until it is safe for you to return.

If you choose to go out, please wear a mask, keep 6 ft. distance from others, and wash your hands or use hand sanitizer often. If you do not feel well, stay home. Need a mask? The Masketeers have been making them for you. Ask for one as you come through the food pick-up line. Speaking of the Food Drive-Thru, you have been great! It is wonderful to see you each week. My staff has all been working every day for the past 15 weeks - unloading trucks, packing, lifting, pulling, and loading cars. They are tired and need a break. Because the 4th of July holiday falls on Friday, July 3, we decided to take the week off. I hope you noticed that you got a lot of extra food this week. We will be back delivering food Drive-Thru style on July 10. Check out our before and after pictures of our 1st floor.

AARP Tax Aide notified us that they would not be coming back to the Senior Center to complete your taxes before the July 15 deadline. What are your options? Local tax preparers can help you, call for a list. We have paper forms if you need one to complete your taxes yourself. Go to AARP’s tax website by clicking here: https://tinyurl.com/PASCtaxes.
